ABOUT US

Chanda Steel Works Pvt. Ltd. is engaged in manufacturing and exporting all kind of Stainless Steel Kitchenware, Tableware, Barware, Flatware and Pet's Accessories.

The big challenge is staying ahead of the game and constantly confronted with insatiable demand for new concepts. Chanda Steel has extensive growth, product innovation and continued quality development plans.

Our products have won high praise and credibility of clients for its unique design and high quality. Our products have been exported in many countries of world. The enterprise has gradually broadening itself in international market with superior quality and perfect service.

Chanda Steel is now challenging itself and trying best to develop new products and expanding a larger market in order to be collectivizing in the near future.

On the Principal of mutual benefit, insisting on the target of united and diligent, practical and creative, punctual and efficient, we are willing to develop together with the customers abroad.
